Dear Mr. Bonner:

Because of your interest in Mr. [] I am writing to advise you of the status of his application for employment with us.

STAT

STAT

Mr. [] was selected for an appointment at a Grade GS-4, and we advised him of this fact, asking him to call us regarding his entrance-on-duty date. He has since then advised us that he has accepted other employment and is not interested in employment with this Agency at the present time. We have, therefore, cancelled action on his case and placed his file in an inactive status.

We appreciated your referral of Mr. [] and should he re-apply at a later date, we shall be pleased to give him every consideration.

Dear Mr. Cohelan:

Thank you for your letter of 16 July enclosing a communication you received from Mr. []

Mr. [] wrote to us early this month requesting information about the Central Intelligence Agency. We forwarded the requested information and a set of our application forms to Mr. [] in a letter dated 11 July, a copy of which is enclosed. We are also returning Mr. [] letter to you as you requested.

Our regular staff employees must be citizens for at least five years; however, individuals who do not meet this requirement can sometimes be employed in other capacities. The fact that Mr. [] has only recently become a U. S. citizen narrows the possibilities for his employment but we shall be glad to give his application every consideration for openings for which he might qualify.

Your interest in referring Mr. [] to us is appreciated and we shall advise you of the outcome of his application.

Sincerely,

[]

Honorable Joseph S. Clark *Clark*
 United States Senate
 Washington 25, D. C.

Dear Senator Clark:

As my office advised your staff earlier, our reply to your memorandum of 3 July concerning Mr. [] was delayed until his case had been reviewed. Our Inspector General has completed a thorough review of the circumstances of Mr. [] separation from our service and Mr. [] has been advised of the results in a letter from Lt. General Marshall S. Carter, Deputy Director of Central Intelligence. A copy of General Carter's letter to Mr. [] is enclosed for your information.

We are also enclosing Mr. [] letter of 25 June to you and the copy of his letter of 25 June 1963 to the Director of Central Intelligence which he sent to you. As stated in General Carter's reply to Mr. [], the record clearly indicates that Mr. [] was offered but declined to accept a position commensurate with his qualifications before his employment was terminated.

Your inquiry concerning this matter was appreciated and we hope that the information supplied above will be helpful. We shall be glad to supply additional details if you desire.

Sincerely,

Receipt of your letter of 25 June 1963 is acknowledged. As you requested, I have reviewed the circumstances leading to the termination of your employment by the Central Intelligence Agency in February 1961. The record clearly indicates that an effort was made to continue your employment by the Central Intelligence Agency in a position for which you were qualified and at a grade commensurate with the responsibilities of the position. The record also clearly indicates that you refused to accept the position offered you.

From my review, I conclude that the decision to terminate your employment was based upon a thorough consideration of the evidence and that the action taken was in the best interests of the Government.

Faithfully yours,

Signed

Dear Senator Clark:

I am enclosing a copy of a letter which I mailed to-day to Mr. McCone, Director of the Central Intelligence Agency. I should like to reopen this matter, because Mr. McCone's attitude may be different from that of Mr. Dulles. I never actively sought employment with C. I. A. (I was recruited by this agency in 1949 because of my technical qualifications and because of the work which I had done as a member of the F.I.A.T. team in Germany on behalf of the U. S. Dept. of Commerce) and am not necessarily anxious to be re-employed on my former job at present. However, I do not believe that the actions which I describe were justified, or that they were in the interest of the United States. I took up the circumstances of my separation from C. I. A. with Representative Ryan of New York while I was still in Washington, because I was a voter in his district at the time. At present I am a resident of and a registered voter in the district in which I reside.

Yours very truly,

ALAN ZOMPER
